- * Parent Appreciation Brunch
April 17th, 2026

Welcome

Dean of Academics: Mrs. Praniece Nicholson

In an effort to continue quality education and provide stronger accountability, I'm honored to introduce Mrs. Praniece Nicholson as the new Dean of Academics here at Ezion Fair Christian Community Academy.

Dean "P" hails from Chicago, IL, and is a wife, mother of two young children, and lover of education. With a degree in psychology and experience in academic assessment, instruction, and youth ministry, Dean "P" loves to make learning fun and engaging; and she is passionate about supporting children's academic, social-emotional, and spiritual development.

She is excited to join the EFCCA family as we continually endeavor to build a strong educational foundation for our young scholars. Her office is housed in the Wholeness Center. She is there Monday-Friday from 9am-6pm. When you get a free moment, please stop in and introduce yourself.

Teacher's Block Theme: Transportation

Week 1: 
Trains

Week 2: 
Cars

Week 3: 
Airplanes

Week 4: 
Boats

Director's Corner

Rev. Dr. Christopher T. Curry

Greetings to all parents & guardians! It's been 8-months and our children are learning and growing. Voices are finding strength and their minds are becoming more engaging. We are springing forward into new heights in our children's academic pursuit.

Since we last communicated, we have hired a new Dean of Academics and an Open Gym Monitor. Both are measures to ensure the physical and cognitive safeguarding of your child and that your child is protected appropriately. You just received this quarter's Progress Reports. If you have any additional questions, beyond your conversation with your child's teacher, please reach out to me directly. I want to ensure that we are partnering together to make your child's early learning foundation strong!

Reminders

Effective immediately, our staff will no longer update the people you authorize to drop off/pick up your child(ren) from the Academy. Please log in to your Smartcare Parent App to view the people currently on your child's list and make adjustments as you see fit.

If you are adding new people to your child's list, please inform the new people that they will need to present their state issued photo ID to our staff, so that we can make a copy for your child's file. The person will receive their own PIN upon arrival; please do not share your PIN with anyone.

The Best of March

Spirit Week

In-House Field Trip: Enchanted Magical Moments

The children had a blast with Bluey!playing 'Red Light, Green Light'; Simon Says; and plenty of dancing and photo ops. To view photos from the event, go to:

In-House Field Trip: Brandywine Zoo

Thanks to Meghan and the Brandywine Zoo. Meghan read the book 'Animals Should Definitely Not Wear Clothing' and introduced us to Acacia the Lizard and Rocky the Tortoise.
