DIRECTOR'S CORNER

Rev. Dr. Christopher T. Curry

Greetings, families!

Fall is here! As the leaves change and the air gets a little cooler, we are excited to welcome a new month filled with learning, laughter, and fun!

In September, we watched your children adjust to their new classrooms, learn new skills, and begin building new friendships. Transitions can be difficult, but your children met every challenge with tenacity!

This month, we will resume our in-house field trips in an ongoing effort to expose your children to a variety of art forms and engage their growing minds in fun and creative ways. We will also host our Spirit Week October 5th-9th. This is a time when the EFCCA community can join together, have fun, and show our school spirit! We are blessed and honored to have a new Business Office Manager, Dr. Marsha Gresham, who is not just outstanding on the business side of the house, but has maintained her own childcare facility in New Jersey before joining our team. When you have a few moments, please stop in to greet her.

Again, many thanks for your continued support and partnership as we endeavor to instill a love of learning in every child. It is a blessing to be a part of your children's lives, and we look forward to all the special moments October will bring.

If you have any questions or concerns, please feel free to contact me directly at pastor@ezionfairchurch.org.
